

My Not Able to Come to School Story.

There is an illness called Coronavirus.

This illness might make some people poorly.

To help people stay well, most people will not

be able to come to school.

This is OK.

When we are at home there are lots of

things we can do. We can

* Read books.

* Complete an activity from our home learning pack.

* Find fun activity ideas on the school website.

When it is safe, we will come back to school.
