What are they learning?	<p><i>This term's topic is 'People'. We will be learning to identify who and what is important to us as individuals and recognising others in the wider world around us. This includes understanding different types of families, the importance of the emergency services and how we can positively contribute to society. In PE this term, we are going to focus on football in the first half-term and basketball in the second half-term, learning the ball skills needed, the rules of the games and how to play as a team. In English, we will continue learning phonics and to read using 'Read Write Inc' and we will learn about the features of a story and begin writing our own story about our lives, linking this to the 'Little People, Big Dreams' book series. The focuses for Maths this term are number, measurement of length and shapes; in our class, we will learn how to use written methods to perform addition and subtraction calculations, and explore different shapes in our real-life environment. During the autumn term, our Design and Technology lessons are focused on resistant materials; our Food Tech lessons will begin in the spring term.</i></p> <p><i>We are planning RE activities for the week beginning 9 October based on the Christian festival, Harvest. In the week beginning 27 November, we are planning RE activities based on the Sikh Guru Nanak. The week beginning 6 November is our next MFL/Culture Week focused on Poland.</i></p> <p><i>You can find out more about our curriculum on our website at https://linwood.bournemouth.sch.uk/springwood/learning/vita-curriculum/curriculum-plans/</i></p>
