Are there any good resources or websites we could use at home?	<p>Top Marks has a range of useful resources for children including maths and phonics games. You can filter by subject, category and age range. You can find it at: https://www.topmarks.co.uk/</p> <p>ictgames provide a variety of free games to extend learning in maths and English. You can find it at: https://ictgames.com/</p>
What books or stories should we read at home?	<p>Please let us know if you would like to use books from the Read Write Inc programme to practise reading at home; otherwise you could look at any books with strong characters or illustrations of people. Sharing the book with your child and creating opportunities for different voices or sounds is also a great way to promote a love of reading. If your child knows a story well, try leaving gaps and waiting for him/her to say the next word or do the next action.</p>
When is PE?	Thursday afternoon
When do you go out on trips?	Tuesday afternoon
Does this class go swimming?	There are no swimming lessons for Springwood pupils/students in the autumn term.
Are there other days when my son/daughter needs to bring in anything else?	<p>Please make sure we have a full change of clothes for your child including underwear and socks. If he/she is sent home in the spare set, please send in another spare set the following day. We do lots of water play, messy play and outdoor play within our learning. If clothes could be named, it makes things a lot easier.</p>
What snacks can I send for my son/daughter?	<p>We have snack time each morning and afternoon and we provide fruit. If your son/daughter would prefer a different snack, please send it for him/her. Please remember that we encourage healthy snacks and we are a nut-free school so do not send nuts or any products containing nuts.</p>
