at Linwood Campus, Alma Road.**

Thursday 19th October 9.30-11am

SPEAKER: Rhi Wooten (Dorset Children's Foundation)

*This session will have a focus on benefits support for
young people and how this may change as they get older.

The session will include a presentation and an opportunity for questions.

We invite parents and carers of pupils in year 7+ but all parents/carers
are welcome to attend regardless of the age of your young person.
