Look in detail at this extract, from **lines 5 to 11** of the source:

It's her first time in the Pyrenees, although she feels very much at home. She's been told that in the winter the jagged peaks of the mountains are covered with snow. In the spring, delicate flowers of pink and mauve and white peep out from their hiding places in the great expanses of rock. In early summer, the pastures are green and speckled with yellow buttercups. But now, the sun has flattened the land into submission, turning the greens to brown. It is a beautiful place, she thinks, yet somehow an inhospitable one. It's a place of secrets, one that has seen too much and concealed too much to be at peace with itself.

How does the writer use language here to describe the mountain area?

You could include the writer's choice of:

- words and phrases
