

Dear Parents / Carers

SEVERE WEATHER PROCEDURE

We would like to confirm our procedures in case the weather should deteriorate and necessitate the closure of the school.

Should the weather be severe overnight, the decision regarding a school closure will be broadcast via Wave 105 and Heart 102.3 Radio Stations between the hours of 7.00am and 8.30am, or on Linwood School website - www.linwood.bournemouth.sch.uk

School transport is notified accordingly.

Should weather conditions necessitate a change of transport times during the school day, parents will be notified directly by telephone.

For this reason, it is vital that we have an up to date telephone contact number for you.

If you have recently changed your contact number, or should you change your home or mobile telephone number, please contact the office as soon as possible.

Transport Contact Numbers/Emails

Should you have any queries regarding transport for your child, please contact the transport department for the borough / county where you live.

Bournemouth & Christchurch	-	Tel: 01202 123074 Email: Emma.Goulding@bcpcouncil.gov.uk Claire.Vass@bcpcouncil.gov.uk
