Can we help you ?.....

What is Linwood Outreach?

Linwood is a specialist support and consultancy service offered by Linwood School. It promotes and facilitates the inclusion of children and young people with a wide range of learning needs within their school setting. We are committed to meeting the individual needs of children and young people, in a collaborative partnership with parents, other professionals, the schools and the children and young people themselves.

Our service is composed of a team of professionals including teachers and support staff who have specialist knowledge across a wide range of Special Educational Needs and Disabilities.

What are the aims of Linwood Outreach?

- To increase the capacity for schools to meet the needs of all their pupils with SEND.
- To work in partnership with school staff, children, parents/carers and other outside agencies involved, ensuring a coordinated and collaborative approach.
- To support children and young people in making progress and reaching their potential.
- To develop staff knowledge and confidence to fulfil their responsibilities in meeting a wide range of needs.
- To prepare children and young people for adulthood and lifelong learning.
- To provide support and empowerment for children and young people and their families to access wider services and therapies.
- To ensure vulnerable learners are effectively supported at all stages of transition.

Who is the Service available to?

We work with pupils from Nursery through to 19+ who have a range of special educational needs and disabilities. This includes children and young people with difficulties in the areas of cognition and learning , profound and multiple learning difficulties , communication and interaction, autism, sensory and physical difficulties. We work with nurseries ,primary ,secondary and post 16 providers within mainstream, specialist and independent sectors. We work with children and young people at the SEN Support Level as well as those with an EHCP.

How do we work?

Outreach support will vary according to the needs of individual pupils and schools. We have strong partnerships with schools, families and other professionals. Support can incorporate a number of elements including advice and consultation, training, joint planning, modelling of techniques and strategies, assessment and individual or small group work. We also facilitate inclusion projects at Linwood and all its campuses and provide opportunities for staff from mainstream schools to visit the School.
