## THE CHRISTMAS STORY

Monday 18<sup>th</sup> November 2024 – It was quiet as a mouse while I was sleeping. But then, all of a sudden... \*Merry Christmas, Everybody! plays in the advert\* Some Very Christmas advert appears on YouTube on my Switch OLED that I left on accidentally. I woke up because of it, and picked up my Nintendo Switch, then I found the original song on YouTube. “It’s only just beguuuuuuuuuuuuuuuuUUUUUUUUUUUUUN!” I sang to myself, because of that song being stuck in my head every December of every year. Trust me, me and the advert combined at once will create a masterpiece song for Xmas. This... is only the beginning of December in 12 more days, but then, after I played the most popular Xmas songs on YouTube... I had an idea. Me and my family will set the Christmas tree up for the presents, and when I go back into bed, and wake up on the 25<sup>th</sup> December... Me: IT’S CHRISTMAS I’M GOING DOWNSTAIRS!!!!!! \*goes down the stairs to the lounge\* Me: Huh... no one is here yet... Oh, well, I’ll just wait for them... \*30 minutes later...\* “OK, everyone, you ready to open some presents?” My family: “We’re ready for anything, Aiden.”

And then, when I opened my present... Me: "JOJO'S BIZARRE ADVENTURE: ALL STAR BATTLE R?! How did Santa know?! I'M SO EXCITED, I COULD JUST SCREAM!!!! AAAAAAAAH THIS IS THE BEST XMAS EVER!!!! Kris: AN IPHONE 16 PRO?! THANK YOU SO MUCH! Aiden: Let me see what else I got for my Nintendo Switch. "To Aiden, Love from Mum and Kris". Wonder what's inside of this present. \*gasps\* NINTENDO SWITCH SPORTS?!?!?!?!?! BEST. XMAS. OF. 2024. EVER!!!!!!!!!!!!!!!!!!!! Thanks, Santa. Santa: Ho-ho-ho. Merry Christmas. \*The next 6 days of December...\* Aiden: New Year's Day! Fireworks are going off in 5, 4, 3, 2, 1. HAPPY NEW YEAR 2025! **THE END**
