

Lovely Christmas Cheer

Christmas is a time of year where everybody celebrates and spends time with their families and children. Christmas is all about peace and giving out gifts to your families and enjoying the Christmas with your family. Christmas dinner is the best time, eating traditional turkey, drinking eggnog and all you can think of! You can also light up pretty Christmas candles.

You need to put up an elf to see if your child is a good boy or girl or a bad boy or girl. When the elf is finished checking them out they go back to the wonderland to tell Father Christmas that your child has been a good or bad. Everyone loves Father Christmas and when he checks his naughty list, if you are bad you get nothing but coal, and if you're a good you get what you wanted for Christmas. You can only get what you want when the presents are placed under the Christmas tree, you have to wait until morning and then you go down stairs and see what you get for Christmas. When you check out your presents you can enjoy playing with the new toy you got from Santa.

If you want to play snowballs first you can and go with your family to a Christmas festival and sing a lovely Christmas song. You can also enjoy eating the amazing, yummy gingerbread men and have a lovely Christmas.

What Christmas reminds me of....

- Candy canes
- Presents
- Santa
- Snowman
- Elves
- Sleigh
- Gingerbread man
- Snowflakes
- Food
- Festive
